I'm looking for a
manual for a 4 HP
2-stroke Mercury
outboard from
1981. It's Belgian
made, two cylinder,
serial # 9321742,
although Mercury

Download File PDF Mercury 8

advised that I'd
need to put a zero
before the serial
number (so,
09321742). I
believe it's model
4200 (or 1004200).
Thanks, Steve #46.
