"Baby Blues us one of the truest and funniest accounts of raising a baby every to grace the comics page." --Lynn Johnston, creator of For Better or For Worse Now that Wanda and Darryl are pregnant again, the doting parents will be getting the baby clothes out of the attic, preparing Zoe to be a big sister, and just trying to cope with it all! In this installment from Rick Kirkman and Jerry Scott, the MacPhersons deliver humor at its family-oriented best. Juggling the demands of job, home, and a baby on the way, the fatigued Wanda and Darryl have the added challenge of Zoe as she becomes a mobile toddler. She walks, she talks, and she's obsessed with the Whistling Monkey Cowboy Band! Like the millions of new parents who have embraced this engaging strip, the MacPhersons have found parenthood both fulfilling and frustrating. Exhausted parents everywhere are enthralled with this on-the-go couple who manage their careers and child-rearing. Mothers love Baby Blues because they know all too well how Wanda's days have changed, from career woman to Mom, especially as she prepares to add another bundle of joy to the MacPhersons' already busy household. Dads nod in recognition as Darryl tries to help out and hold down a demanding job. Everyone cherishes little Zoe for making adorable even the most exasperating childhood antics. Artist Kirkman and writer Scott obviously know about parenting. You can see it in every installment of the clever, true-to-life strip they create, from accidentally losing Zoe at the mall, to listening in on baby monitors with crossed signals.

Dad, unemployed actor and full-time father, is back, and he's going to have to get used to having another woman around the house! He already has his hands full dealing with the totally reasonable demands of his eldest, Pandora, the swarms of boys hovering around teen Ondine, the wall-shaking energy of Roxanne, and all the walks to the park with Baby Bella. Having his ex-wife come to crash on the couch could be the final straw, as Rose, the fabulous actress, is hardly an ideal house guest... One thing's for sure, Dad's going to need a vacation!

Life goes on for this... unusual family! Pandora (the eldest) is busy revising for her exams, teenage Ondine is getting ready for a hot date, young Roxanne is playing video games and baby Bella wants to be fed... and Dad would very much like it if they all just left him in peace! He might be unemployed, but this hapless actor is bringing up his four daughters single-handedly, and there's not a moment's respite!

Suburban Metal Dad, Compendium One: Raging Bullsh\*t collects Years III and IV of the terrible webcomic by D.X. Ferris. Metal Dad grew up listening to Megadeth and raging against the machines. But now he's older, he has a family, and he needs to harmoniously exist with the people around him. So he can't punch his pinhead boss when he wants to. And he usually wants to. Some of the comics are gag-a-day strips. Some are episodes from multi-part storylines. Some are single panels. Some are esoteric (read: poorly written pop-culture references). Sometimes they're bitter. Sometimes they have heart. Sometimes they're running bits. Some are random ideas that have nothing to do with anything. Sometimes they're metal. But they all have a low-tech punk-rock quality (or lack thereof). You're pissed, but you know you got it good. This is Suburban Metal Dad. Compendium One features 162 black & white comic strips, eight even-worse demo strips, an updated SMD FAQ, a foreword, and a true-life Metal Dad story (so there's stuff to read too, in addition to stick figures and sloppy lettering).
