Modern marine insurance law originated in the Lex mercatoria (law merchant). In 1601, a specialized chamber of assurance separate from the other Courts was established in England . By the end of the seventeenth century, London's growing importance as a centre for trade was increasing demand for marine insurance.

~~Marine insurance – Wikipedia~~

The law of marine insurance constitutes a major branch of the law of international trade and shipping law which is of considerable international importance. This new edition gives a clear, updated account of English marine insurance law, combining detailed analysis of modern statute and case law with a clear comprehension of practice and commerce in the shipping world.

~~Law of Marine Insurance – Howard Bennett – Oxford –~~

Definition: the contract of marine insurance is a special (insurance) contract of indemnity which protects against physical and other losses to moveable property and associated interests, as well as against liabilities occurring or arising during the course of a sea voyage (R. Thomas).
