Mr. America: The Tragic History of a Bodybuilding Icon ...
John D. Fair's highly detailed, largely administrative study of American bodybuilding uses Mr. America contests sponsored by the Amateur Athletic Union of the United States (aau) and the International Federation of Bodybuilding and Fitness (ifbb) to explore changing attitudes toward manhood, androgyny, racism, and homoeroticism during the twentieth and early twenty-first centuries.

Mr. America: The Tragic History of a Bodybuilding Icon by ...
Fair takes the Mr. America concept from the Greek ideal of sound body and mind to its final breath at the close of the last century, turning over every stone along the way from the Greek gymnasia to the denigration of American exceptionalism. Mr. America is much more than the story of a physique contest, it's the story of physical culture in the twentieth century. Boiled down to the bare bone, it's a tug-of-war between form and function, with function prevailing early on in the century ...
