Music Of Dolphins
The Music of Dolphins, by Karen Hesse, is a children's book that follows the story of Mila, a feral child raised by a pod of dolphins around the Florida Keys and Caribbean. "Mila" is an abbreviated form of the Spanish word milagro, meaning "miracle". The novel uses a narrative structure that parallels Mila's increasing comprehension of the English language. At the novel's opening, when Mila is with the dolphins and cannot speak English, the book is written in a different font and more complex wr

The Music of Dolphins - Wikipedia
A wonderful book that isn't exactly typical, Music of the Dolphins explores what it is to be human- and what it is to be alive, two concepts which seem rather at odds with each other. Uniquely, the writing style of the book changes throughout, becoming more coherent as Mira learns English and more 'broken' as she becomes more distraught.

Praise for Music of the Dolphins This novel by Karen Hesse was so cleverly written, and might me the biggest page turner since Harry Potter. This book is about the life of a young girl named Mila. Mila was raised and living with dolphins for the past 13 years, when she is found and brought to some doctors to learn how to act like a huma being.
