Home - Networking Made Easy
The best way to network is to leverage your natural strengths. Most people make the mistake of forcing themselves to network. Or they pretend to be outgoing to make new connections. You do not have to fake being an extrovert to network well.

How to Network: 18 Easy Networking Tips You Can Use Today
If you're new to the networking game, the easiest way to get started is to team up with a friend or colleague who is confident in their abilities. They can act as your event buddy and help with introductions to get you started, or share their own networking tips. This also gets you over the first hurdle – walking into a room on your own.

The importance of networking for your career – and how to ...
You don't need complex COM objects or DLLs – you start a Memcached server, send text in, and get text out. It's language-neutral and easy to access because any decent OS supports networking. You can even telnet into Memcached to debug it. Wireless routers are similar: they have a control panel available through HTTP.

A Simple Introduction To Computer Networking – BetterExplained
Admit you are shy or trying to be better at networking and turn that buddy into a wingman. It will probably make networking easier for both of you. Ask if he will introduce you to people he knows.

How to network: 17 tips for shy people | CIO
Whether it's electronically or on paper, make sure you know who is who, where they work, and how to get in touch. Network online. Sites like LinkedIn, Facebook, and a variety of other online networking websites can help you get in touch with other networkers at specific companies, with college affiliations or in a certain geographic area. In addition, if you're a college graduate, your institute may have an alumni career network you can access

The Importance of Career Networking
Top Tips for Networking Events . When you arrive at a networking event, avoid gravitating to people you know. You should initially thank the host and then immediately find someone new to introduce yourself to. This will help keep you in the right frame of mind as to why you came. Stop selling and start listening! When you meet someone for the first time, use it as an opportunity to get to know them
