Nosferatu

Nosferatu brought Murnau into the public eye, especially when his film *Der brennende Acker* (The Burning Soil) was released a few days later. The press reported extensively on Nosferatu and its premiere. With the laudatory votes, there was also occasional criticism that the technical perfection and clarity of the images did not fit the horror theme.

Nosferatu (1922) - IMDb

The name "Nosferatu" has been presented as possibly an archaic Romanian word, [citation needed] synonymous with "vampire". However, it was largely popularized in the late 19th and early 20th centuries by Western fiction such as *Dracula* (1897), and the film *Nosferatu* (1922). One of the many suggested etymologies of the term is that it is derived from the Romanian *Nesuferit* ("offensive" or ...

Nosferatu the Vampyre (1979) - IMDb

German director F.W. Murnau is most often credited for Nosferatu's unique atmosphere and imagery, and rightly so – Murnau would go on to massive success for films like 1924's *The Last Laugh*, 1926's *Faust*, and 1927's *Sunrise*. But equally deserving in praise for the film is Albin Grau, Nosferatu's producer – and an experienced occultist. According to PeoplePill.com, Grau was a member of a ...
