How to write a successful “ Dear Host Family ” -letter. Straight from your first draft of the Dear Host Family letter, there is one very important thing you should keep in mind: The letter needs to be kept as short as possible! If you write paragraph after paragraph after paragraph you will risk that the Host Family close your letter before reading it all as it feels too time intensive to read the whole letter. You need to attract the Host Family ’ s attention with your accurately worded ...
