This book will leave you paralyzed with wonder and with horror. The Donner Party saga may be one of the greatest stories of all time that is both triumphant and terrible. The Donner Party was a group of 87 American pioneers who set out in a wagon train headed west for California, only to find themselves trapped by snow in the Sierra Nevada. The subsequent casualties were extremely high, and many of the survivors cannibalized members of the party who had already died.

The tragedy of the Donner party constitutes one of the most amazing stories of the American West. In 1846 eighty-seven people -- men, women, and children -- set out for California, persuaded to attempt a new overland route. After struggling across the desert, losing many oxen, and nearly dying of thirst, they reached the very summit of the Sierras, only to be trapped by blinding snow and bitter storms.

The definitive popular account of the tribulations endured by a party of California immigrants who were forced to spend the winter of 1846-47 in the high Sierra, trapped in a mountain pass that now bears the name of the group's leaders George and Jacob Donner. Nearly half the members of the wagon train perished in the wilderness, and many of the 47 survivors resorted to cannibalism during the most dire part of the ordeal.

King, himself a Roman Catholic of Irish descent, vehemently deplored the characterizations of the Irish Catholic Breens in the literature of the Donner Party. King argued that George R. Stewart, in his influential Ordeal by Hunger, displayed ethnic bias towards the Breens and other members of the Donner Party, and that other writers following Stewart have continued and elaborated on his interpretations.
