The P3 System not only increases the potential for profit, conversely, it decreases the chances  
of loss. If a stock trades above the agreed upon sale price (strike price) of the underlying asset  
before the expiration date of the option, your “ call ” option becomes very valuable... and if  
it doesn ' t...well, the option could become worthless.

P3 System Manual In this age of digital media, I know you ' ll appreciate the luxury of a real  
book—where you can sit back, put your feet up, and thumb through the pages. And later, you  
can keep it next to your computer for easy reference. There are no big words, no intimidating  
terminology, and no long boring sentences.

The P3 Squeeze pattern is formed by two unrelated indicators. Truly, they have nothing to do with each other, and yet, in a fortuitous discovery, I found that when they are placed on top of each other, they create a pattern when accompanied by other confirmations that shows when an equity is ready to burst upward.
