provides accessible and practical advice on medical dermatology that meets the needs of healthcare professionals working in hospitals. It will also be of value to those working in the community, and to medical students.

~~Oxford Handbook of Medical Dermatology – Oxford Medicine~~  
The Dermatology Service in Oxford comprises the University of Oxford and the NHS Department of Dermatology, which are fully integrated on the same site at the Churchill Hospital, Oxford. From a clinical perspective we serve a population of around three quarters of a million and see over 44,000 patients per year.
