An articulate and avuncular figure, El Salahi has developed his own unique art history, a pioneer on many art fronts; he was one of the first artists to elaborate Arabic calligraphy in his paintings, and the first African artist to obtain a Tate Modern retrospective. Elementary forms and lines dominated his early work, which has, over the years, taken a meditative and abstract turn with a ...

10 Contemporary African Artists You Should Know

It can be hard to identify a particular artist from their signature. Many times, the signature is just a scrawl, or an extra artistic treatment of their name. This can be especially frustrating with older or less popular artists, who did not get credited for their work. Our goal is to help you to identify ... Read moreIdentify Artists by their Signatures

Arteyclopedia: Artist Names Complete List A-Z

Plein air is the act of painting outdoors. The Barbizon school first popularized plein air painting and Corot’s plein air works have been much praised by critics for their faithfulness to natural light and their avoidance of academic values. However, Corot always returned to the studio to fine tune and finish his works.
