there remained a lack of direct comparative evidence of FFR-guided PCI versus OMT in stable patients  
with which to answer the question: does PCI plus OMT improve prognosis in stable CAD compared ...

Should Ischemia Be the Main Target in Selecting a Percutaneous Coronary Intervention Strategy?

DJI, the company that gave us the far too popular Phantom line of quadcopters, doesn't just make the  
most popular line of FPV quads. Their top of the line flight controller, The Naza V2, is very ...

Upgrading DJI Flight Controllers

This is all because the key DevOps practices are being "bolted-on" rather than baked-in from the start.  
The solution, of course, is to bake these good DevOps practices in from the very ...
