Pearson Geometry: Common  
Core, Vol. 2, Teacher's  
Edition... I am a geometry  
teacher and I have been  
using Pearson Florida  
edition book for 5 years.  
The Common Core edition is  
very similar to the other  
edition however, there are  
some differences in a couple  
of lessons and an entirely  
new chapter (13 -  
Probability).
