The relationship between performance and politics informs a wide range of behaviors, subjects, and agents, spanning from individual bodies to protest bodies. As Diana Taylor mentions in her intervention in this book, performance is a concept that encompasses both normative protocols, as well as resistance to them.

Performance Art as an Activist Tool. "Everything is political.". This statement is both an acknowledgement of the inherently political nature of existence in a hierarchical world and a direct quote from every person interviewed for this article. "Everything is relational, and everything has a power relation," Amy Elizabeth Alterman, a PhD candidate in Culture and Performance at UCLA, explained in an interview with the HPR.

Performative activism is a pejorative term referring to activism done to increase one's social capital rather than because of one's devotion to a cause. It is often associated with surface-level activism, referred to as slacktivism. The term gained an increased usage on social media in the wake of the George Floyd protests, although the phrase predates the killing of George Floyd. "Performative wokeness" and "performative allyship" are related terms.

Members of Political Performances are from around the world and so approach the intersection of politics and performance from very different perspectives. Some focus on socio-political context, others on dramatic content, others on political issues and activism, and still others examine the ways in which communities perform their collective identity and political agency.
