Ph Problems And Solutions

It was President Rodrigo Duterte himself who said that there is a critical problem that Filipinos confront every day—the transportation crisis, especially in Metro ...

PH transport crisis: Complex problem requiring comprehensive solutions

Before a nutrient can be used by plants it must be dissolved in the soil solution. Most minerals and nutrients ... However, a slightly alkaline (pH 7.4-7.8) or higher pH soil can cause a problem with ...

Soil pH: What it Means

Made from citrus fruits such as lemons, limes, and even pineapples, citric acid products have been used safely for centuries.

Citric acid: a sustainable cleaning solution?

The ludicrous suggestion simply highlighted the need for the government to, on the one hand, intensify its focus on realistic and achievable solutions to ensure the ... Returning our focus to the real ...

PH needs realistic solutions for food security, not fantastic ones

Study: Combination of High pH and an Antioxidant Improves Chemical Stability of Two-Dimensional Transition-Metal Carbides and Carbonitrides (MXenes) in Aqueous Colloidal Solutions. Image Credit: ...

Slowing the Degradation of Aqueous MXenes in Colloidal Solutions

Technology solutions made by higher education institutions (HEIs) to address problems in the communities as well as to help firms better serve them were featured in the Philippine Innovation Expo on ...

Academe-led tech solutions featured in PH Innovation Expo

Commuter network The Passenger Forum (TPF) on Saturday urged the government to come up with immediate solutions to help the ...

Group: PH faces transport crisis, needs quick fix

Let's look at the significant problems facing robotics ... There is no match for human thinking; thus, robotic solutions are not entirely dependable. There was considerable progress in robots ...

AI in robotics: Problems and solutions

Global "Pen-type pH Meter Market" 2022-2028 report covers the worldwide and local market with a top to bottom analysis ...

Pen-type pH Meter Market Share 2022 Revenue Growth Development, Size, Global Trends, Competition Landscape by Key Players and Forecast to 2028

These communities play a key role in finding a solution for our solid waste management problems.) The DENR, NSWMC and Nestlé PH developed five modules for the webinar series: Module 1 – What ...

DENR, NSWMC, Nestle PH push for education on climate change, solid waste management

Biomedicines are produced by living cells and are used to treat cancer and autoimmune diseases among other things. One challenge is that the medicines are very expensive to produce, something that ...

New material paves the way for remote-controlled medication and electronic pills

The combustion of fossil fuels (coal, petroleum [oil], and natural gas) is the major source of both air pollution and the greenhouse-gas emissions driving climate change. The fetu ...

Climate Change, Fossil-Fuel Pollution, and Children's Health

Following the entry of Elon Musk's Starlink in the Philippines, more companies are eyeing to provide satellite-enabled internet services as the country progresses in the digitalization era. With ...

After Starlink, more satellite internet firms eyeing PH as battleground

Former three-term Ontario Information and Privacy Commissioner Ann Cavoukian, Ph.D., talks about her seven foundational principles of privacy by design and the importance of data privacy.
