Please Don't Tell My Parents I'm a
Supervillain was a great YA superhero novel.
Not perfect by any stretch of the imagination

"I Have A Nemesis" is the 4th book in the "Please Don't Tell My Parents" series, and the plot of this one is more tightly focused on Penelope Akk specifically than in any of the previous books. It doesn't have the aggressive pace of the first novel, although there are surprise twists and sudden reversals. There's also a subtle build of ...

And I have to say that while it was good, it didn't live up to the standard set by "Please Don't Tell My Parents I'm A Supervillian". The author made the unfortunately choice to ditch a lot of the good characters from last time in favour of a limited set of much flatter characters living in outer space, and there seemed to be a lot of flitting backwards and forwards that didn't accomplish much.
