Polaroid Flat Panel Television Product Support ...

Turn off the television and wipe dust and dirt off the screen with a microfiber cloth. Do not use paper, this can cause scratches. Do not apply too much pressure or you might cause damage to pixels. Use a specialized detergent or make one by mixing 1 part vinegar with 1 part water. Moisten the cloth with the detergent and clean the screen.

Manuals for Polaroid LED Televisions

Over time, it may be necessary to reset your Polaroid TV to the factory settings. Reasons for this may include unsatisfactory custom screen settings (such as brightness, contrast, resolution, etc.) or a lost password for the parental control settings.

How to Reset a Polaroid LCD TV | Techwalla

Wait while the television resets to the factory settings. The screen will change colour a few times and eventually return to the standard "On" mode. Reset the Polaroid television manually by turning the TV off and unplugging it from the wall outlet. Disconnect any external devices such as gaming systems or DVD players.
