Political Order in Changing Societies—Projects at Harvard
Political Order in Changing Societies is a 1968 book by Samuel P. Huntington dealing with changes in political systems and political institutions. Huntington rejected the prevalent and more optimistic modernization theories, arguing that order and stability themselves are crucial objectives in developing countries.

Political Order in Changing Societies—Wikipedia
Political Order in Changing Societies (The Henry L. Stimson Lectures Series) Political Order in Changing Societies This book exemplifies the kind to analysis and thinking that has been undermining higher education and U.S. politics since the turn of the 19th/20th century. It is the worship of centralization disguised as unbiased fact-based evaluation. For example, a central position is that ...

Political Order in Changing Societies | Yale University Press
By Samuel P. Huntington Huntington's foundational work on political development was controversial when it first appeared, in the midst of the Vietnam War, because it argued that order itself was an important goal of developing societies, independent of the question of whether that order was democratic, authoritarian, socialist, or free-market.

Political Order in Changing Societies | Foreign Affairs
It is perhaps regretful that, post- September 11 2001, most people are familiar only with the late Samuel Huntington's "Clash of Civilizations" but not his earlier seminal works. Of these works, "Political Order in Changing Societies" is perhaps a classic which all students of political science should read.
