Collaborative Practice, 5th Edition helps you diagnose, treat, and manage hundreds of adult disorders. Care recommendations indicate when to consult with physicians or specialists, and when to refer patients to an emergency facility. This edition includes six new chapters, a fresh new design, the latest evidence-based guidelines, and a new emphasis on clinical reasoning.

Improved Outcomes Associated With
Interprofessional ...

There is increasing interest in the ability of health-care professionals to work together, and in understanding how such collaborative practice contributes to primary health care (PHC). Interprofessional education drives the need to identify and establish enabling mechanisms for collaborative practice in PHC.
