The response to COVID-19 has led to a rapid change in how general practice operates. To support the sharing of learning, we have developed a Primary Care Resilience WebEx series in collaboration with colleagues from Scottish Government and the Royal College of General Practitioners. In these WebEx sessions you will be able to connect with peers, take part in discussions on current topics and reflect on what this could mean for the future of primary care.

~~Primary Care Resilience WebEx Series – Primary Care ...~~

Partners in Primary Care currently operates 47 care centers in six states with an emphasis on patients covered by
