aims to bring economics to life for
the first time student. Mankiw
accomplishes this by writing a
brief text which explains
economics by the rules rather
than the exceptions, and by
balancing application with theory.

Microeconomics has been developed to meet the scope and sequence of most introductory microeconomics courses. To develop Principles of Microeconomics, we acquired the rights to Timothy Taylor's second edition of Principles of Economics and solicited ideas from economics instructors at all levels of higher education, from community colleges to Ph.D.-granting universities.

ECONOMICS Economics is the
study of how society manages its
scarce resources in alternative
ways to meet unlimited wants.
Economics studies how people
make decisions. Economics also
studies how people interact with
one another in marketplace.
Economics also analyzes forces
