Property In The Margins
About Property in the Margins. Having its origins in the process of transformation and land reform that began to take shape in South Africa at the end of the last century, this strikingly original analysis of property starts from deep inside the property regime and not from a distant or abstract perspective on property rules and practices.

Property in the Margins: A J van der Walt: Hart Publishing
The margin property sets the margins for an element, and is a shorthand property for the following properties: margin-top; margin-right; margin-bottom; margin-left; If the margin property has four values: margin: 10px 5px 15px 20px; top margin is 10px; right margin is 5px; bottom margin is 15px; left margin is 20px; If the margin property has three values: margin: 10px 5px 15px; top margin is 10px; right and left margins are 5px; bottom margin is 15px

Marx's stance on private property is far from the horror we're told it is, writes John Westmoreland . We recently held a Counterfire discussion group in Doncaster on Marx ' s most widely read work The Communist Manifesto. The selected text we discussed was the section of the Manifesto entitled Proletarians and Communists. Most of our discussion, and indeed the most fruitful part of it, was ...
