Red Land, Red Power: Grounding Knowledge in the American ...

"Decolonisation requires answering to colonial memory," says Sean Kicummah Teuton in Red Land, Red Power. Teuton challenges the theoretical positions of scholars who have dominated the landscape of literary criticism and analysis of Native Indian writing, and in doing so he debunks the stoic noble savage image and contends that scholarly perceptions of Indians have not changed much.

In Red Land, Red Power, Cherokee scholar Sean Kicummah Teuton considers three Red Power novels by N. Scott Momaday, James Welch, and Leslie Marmon Silko with a methodology he terms tribal realism. Teuton defines tribal realism as a "'postpositivist realist' view, which allows for genuine debate and exchange across cultures, while still respecting how social location may grant special access to ...
