The reintroduction of legal aid for immigration and nationality law for unaccompanied and separated children was a significant success for RMCC members after years of campaigning. However, it is also essential that the government fulfils its commitment to allowing care-leavers to easily access legal aid through the Exceptional Case Funding scheme.

One of the biggest obstacles refugees and immigrant parents report is raising their children in a new, unfamiliar culture. Parents often find that their children are quickly "Americanized," which may be at odds with their own culture. Additionally, kids tend to pick up English much faster than their parents.

Text adopted by the Assembly on 30 January 2020 (8th Sitting). 1. Referring to its Resolution 2324 (2020) on missing refugee and migrant children in Europe, the Parliamentary Assembly emphasises the importance of preventing child refugees and migrants from going missing and of doing everything possible to find children who have gone missing, in order to avoid them falling victim to violence, abuse, human trafficking and organ trafficking.

Refugees have a right under UK and international law to bring their immediate family members to join them. We help refugees reunite with their families through our family reunion work. Our family reunion travel assistance service helped around 2,100 family members reunite with their refugee sponsors in 2017.
