Attracted to remote lands by his interest in the postcolonial struggle, Richard Wright (1908-1960) became one of the few African Americans of his time to engage in travel writing. He went to emerging nations not as a sightseer but as a student of their cultures, learning the politics and the processes of social transformation.

Philosophical Meditations on Richard Wright is an edited collection that brings together philosophers, literary theorists, and theologians on the intersection of Richard Wright ' s corpus—novels, critical essays, travel writings, and poetry—and philosophical method. This collection is a unique contribution to the academic discipline of philosophy as the first sustained philosophical ...

Richard Wright and Philosophy – The Project on the History ...

Several Indonesian artists and intellectuals whom Wright met, later commented on how he had depicted Indonesian cultural conditions in his travel writing. Other works by Richard Wright included *White Man, Listen!* (1957); a novel *The Long Dream* (1958), which was adapted as a play and produced in New York in 1960 by Ketti Frings.
