Attracted to remote lands by his interest in the postcolonial struggle, Richard Wright (1908-1960) became one of the few African Americans of his time to engage in travel writing. He went to emerging nations not as a sightseer but as a student of their cultures, learning the politics and the processes of social transformation.

Several Indonesian artists and intellectuals whom Wright met, later commented on how he had depicted Indonesian cultural conditions in his travel writing. Other works by Richard Wright included White Man, Listen! (1957); a novel The Long Dream (1958), which was adapted as a play and produced in New York in 1960 by Ketti Frings.
