Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers.

Juliet complains that she saw Romeo and fell in love with him “too early,” before she knew he was her enemy. Almost everything happens to Juliet too early. She is told to prepare herself for marriage before she is ready, she marries Romeo before she can get her parents’ permission, her marriage to Paris is moved forward twice, and Romeo arrives at her tomb before she has time to wake up.
