The China Securities Regulatory Commission (CSRC) is an institution of the State Council of the People's Republic of China (PRC), with ministry-level rank. It is the main regulator of the securities industry in China .

China Securities Regulatory Commission - Wikipedia
Dr Zhu Sanzhu offers a thorough account of the tortuous passage of China from an experimental securities market, subject to regional and local or ministerial regulation, to a full-fledged national securities law. China has conducted its securities experiments within a limited private and quasi-private sector, not linking them, as has been true in Central and Eastern Europe, to the rapid privatisation of the instruments and means of production.
