Self Injury: Simple Answers to Complex Questions: Amazon ...

This book provides comprehensive, authoritative, yet accessible information about nonsuicidal self-injury (referred to simply as "self-injury"). Self-injury is a complicated and mystifying condition; purposefully causing pain in order to feel better is, by its very nature, a complex thing. This book helps to de-mystify this condition by providing answers to questions about self-injury that are informed both by the research and the rich clinical experience of the authors.
