Top 10 Construction Safety Topics in 2020 (with Templates) The year 2020 has been intense, to say the least. Construction companies, facing the first pandemic in decades, are required to protect workers from COVID-19 transmission as well as from respiratory hazards during a face mask shortage. The top meeting templates used by construction companies in 2020 so far reflect the ongoing COVID-19 situation: handwashing is the top meeting.
