Not frightening in the sense most would take the emotion today, but a good, slow-moving character study. Very much a British entry and because of this the reader should expect lots of atmosphere. Worth a look.

~~Sepulchre by James Herbert~~ ~~Goodreads~~

In James Herbert's Sepulchre, there is a house called Neath that holds a dark and terrible secret. In that house there is a psychic called Kline who is part of its secret. The Keeper is guardian of the house, of the psychic, and of the secret.

Sepulchre by James Herbert. Released: 1987. "There is a house, hidden away in a small valley, that holds a dark and dreadful secret. The house is called Neath. There is a psychic who lives in that house who is part of its secret. His name is Kline. There is a guardian of the house, and of the psychic, and of the secret. He is known as The Keeper.

~~Sepulchre by James Herbert~~

As you can expect from James Herbert, the story is extremely well written and builds slowly but surely to an absolutely terrifying climax. As stated earlier it is a very dark read, with practically every scene containing some element of horror or weirdness with no light relief whatsoever.

With hard-hitting, jarringly gruesome detail that recalls Stephen King and Dean Koontz, Sepulchre finds James Herbert delving into some of his favorite themes, including psychic cognizance and the dark side of spirituality. Actor Jonathan Keeble has lent his macabre mutterings to a considerable swath of Herbert’s’ catalog, and his vocal dexterity is clinical here, as he seamlessly weaves between brooding atmospherics and intense action sequences.
