Service Intervals Nissan Qashqai Forums  
According to the book it is 18,000 miles or one year, whichever is soonest.According to my pre-paid service plan it is 18634 miles or one year, which must be a conversion from kilometres. If I were a very high mileage user, the three pre-paid services would see me just short of 75,000 miles before a fourth paid service was due.

Service intervals - Nissan QashQai Forums  
Check and correct the engine coolant mixture ratio every 30 000km (18 000 miles) or 24 months. First replacement interval is 150 000km (90 000 miles) or 96 months. After first replacement, replace every 75 000km (45 000 miles) or 48 months. (5) Periodic maintenance is not required.
