The Ocean City Sharks have to swim 75 laps by the end of the week, and every day they figure out how many laps are left to go. Swimming and subtraction are all part of the fun! This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 6 to 8.

Shark Swimathon by Stuart J. Murphy - Goodreads

The Ocean City Sharks swim team—Gill, Fin, Stripes, Tiny, and the hammerhead twins, Flip and Flap—really want to go the state swim meet, but they're short on funds. If they can swim 75 laps over the next four days, the local newspaper will sponsor them. The first day they swim a total of 14 laps ($75 - 14 = 61$).
