The Ski Guide Manual is almost a misnomer. After flipping through the carefully planned pages, I found myself considering new and different ways to work with my ski clients, but I also kept floating back to my recreation ski days, thinking of new and better ways to be more efficient in everything from trip planning to packing to skintrack setting. While Chamonix, France-based IFMGA guide Rob ...

Specialized ski watch. Other watch makers should learn about ski functions from this watch. PROs: ... According to the manual, if you climb 400 meters and then descend 400 meters, your accumulated altitude is zero! So this watch will not add up your accumulated vertical skied. It just shows you the altitude difference from your starting point. St. Moritz Momentum VS3. Score: 6 (of 10) \$195 ...
