Introducing Emotional Intelligence: A Practical Guide Really good, so I bought it in both paperback and Kindle format. I don't know about you but I have bought self improvement books in the past and got so frustrated with them that they stay largely unread on my shelf.

**Introducing Emotional Intelligence: A Practical Guide...**  
" Social Intelligence " is a great introduction guide to becoming more sociable, popular and a better communicator. You ' ll learn what Social Intelligence and Emotional Intelligence are and how to improve your social skills in a practical way.

**Social Intelligence: A Practical Guide to Social...**  
Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Communication Skills Training: A Practical Guide to Improving Your Social Intelligence, Presentation, Persuasion and Public Speaking (Positive Psychology Coaching Series Book 9).

**Communication Skills Training: A Practical Guide to...**  
Social Intelligence is meant to be just a simple practical guide on improving social life but its far more than that. What readers are investing time and money in is a book on human psychology, basics, that we do not practice at all today, then it steps the game up a bit and evolves into something more, retaining its simplicity of style and easy flow of language.

" People with high social intelligence can play many different roles, no matter the context in which that role is being played. Therefore, they can speak to many different people, no matter the social structure or their background. As a result of this ability, people with social intelligence can feel socially confident in any environment. "
