Space Equipment Handbook Joviiian Chronicles

While there are still wrenches and screwdrivers, computers and video displays, there are also plasma welders, space suits, and numerous other items that are needed for living and working in the 23rd century. The Space Equipment Handbook describes the everyday technology of the 23rd century. While not a complete list that describes every piece of equipment in existence, it is a comprehensive guide to common and important pieces of equipment used by adventurers in the Jovian Chronicles universe.

Jovian Chronicles GM Handbook This will give a comprehensive set of materials for the rules and the setting, one that's surprisingly hard SF, despite the presence of humanoid mecha used as fighters. Also, since the human homeworld is lost to the rest of the world in Stars Without Number , it's not much of a problem to set up a different solar system with the same setting elements.

Jovian Chronicles - TheOldSystem

Jovian Chronicles is a science fiction game setting published by Dream Pod 9 since 1997. It introduces a complete universe for role-playing and wargaming space combat featuring mecha, giant spacecraft, and epic space battles. The Jovian Chronicles setting was originally published as a pair of licensed supplements for the Mekton role-playing game; Ianus Publications released two volumes–Jovian Chronicles and Europa Incident–in 1992. This first edition is known amongst fans as the "Green ...

Jovian Chronicles, by Dream Pod 9, is one of the best hard SF games out there. It's set in the year 2212, where humanity has colonized the Solar System but fragmented into large coalitions, largely around a planetary framework: Mercury is its own rich nation, Earth and the Jovian colonies are the main superpowers, etc.
