Speculation: A History of the Fine Line between Gambling ...

History With the appearance of the stock ticker machine in 1867, which removed the need for traders to be physically present on the floor of a stock exchange, stock speculation underwent a dramatic expansion through the end of the 1920s. The number of shareholders increased, perhaps, from 4.4 million in 1900 to 26 million in 1932.

Speculation - Wikipedia

Sweeping and consistently engaging historical synthesis of speculation and investment in the United States Focuses on the fundamental dilemma facing legal overseers charged with regulating the American economy: how to distinguish beneficial speculation from the destructive kind

Speculation - Stuart Banner - Oxford University Press

SPECULATION As played by Jane Austen This mild domestic gambling game appeared towards the end of the 18th century and disappeared about a hundred years later. Jane Austen mentions it several times, notably in this passage from *Mansfield Park* :

the activity of guessing possible answers to a question without having enough information to be certain: Rumours that they are about to marry have been dismissed as pure speculation. Speculation about his future plans is rife. [+ that] News of the president's illness fuelled / prompted speculation that an election will be held later in the year.

SPECULATION | meaning in the Cambridge English Dictionary

conjectural consideration of a matter; conjecture or surmise: a report based on speculation rather than facts. engagement in business transactions involving considerable risk but offering the chance of large gains, especially trading in commodities, stocks, etc., in the hope of profit from changes in the market price.

Speculation | Definition of Speculation at Dictionary.com

Land speculation was one cause of the American Revolutionary War. In the 1740's land companies such as the Ohio Company and the Vandalia Company were formed. They claimed land west of the Appalachian Mountains in territory claimed by France. The shareholders of these companies had influence in colonial assemblies and in Parliament.

Land Speculation & the American ... - 18th Century History

Speculation refers to the act of conducting a financial transaction that has substantial risk of losing value but also holds the expectation of a significant gain Without the prospect of ...

Speculation Definition & Explanation - Investopedia

Cocky himself was the first to discover that the door was ajar, and was looking at it with speculation (if by " speculation " may be described the mental processes of a bird, in some mysterious way absorbing into its consciousness a fresh impression of its environment and preparing to act, or not act, according to which way the fresh impression modifies its conduct).

Speculation - definition of speculation by The Free Dictionary

Devil Take the Hindmost is a lively, original, and challenging history of stock market speculation from the seventeenth century to the present day. Edward Chancellor traces the origins of the speculative spirit back to ancient Rome and chronicles its revival in the modern world: from the tulip scandal of 1630s Holland, to "stockjobbing" in ...

Devil Take the Hindmost: A History of Financial ...

It is generally considered the first recorded speculative bubble(or asset bubble) in history. In many ways, the tulip mania was more of a hitherto unknown socio-economicphenomenon than a significant economic crisis.

Tulip mania - Wikipedia

This difficult question has posed a legal problem throughout American history. Many have argued that periodic failures by regulators to differentiate between the two have been the proximate causes of catastrophic economic downturns, including the Great Depression and the 2008 global financial crisis.

Speculation: A History of the Fine Line Between Gambling ...

This debate has been a perennial feature of American history, and many of these same sentiments have been expressed, on both sides, after every financial downturn since the 1790s. The Panic of 1837, the speculative boom of the roaring twenties, and the real estate bubble of the early 2000s are all emblematic of the difficulty in differentiating sober from reckless speculation.

Speculation: A History of the Fine Line Between Gambling ...

History is riddled with examples of speculative fervor stemming from people seeing the outsized returns generated from an innovative technology or company. After missing out on the dramatic success of this innovation or stock, investors will herd into the next best option in efforts to achieve similarly outsized returns.

Speculation & Innovation — Investor Amnesia

From Wikipedia, the free encyclopedia Speculation is a simple gambling card game that was appeared in the late 18th century, was popular during the 19th century but then became extinct. Rules first appear in the 1800 English edition of Hoyle's Games Improved.

Speculation (card game) - Wikipedia
