### **ROOF/WALL FRAME ASSEMBLY**

Before you start the assembly of the Roof/Wall sections, stack the Peak tubes, line up the ends and mark a line on the top of each peak 17 1/8" or 3 5/8" from one end. This will be the location of the edge of your first run of sheet metal pan- els on the roof of the carport.

The Costco 10-by-20-foot canopy is designed to offer temporary protection from harsh sun rays, light rain and damaging droppings. The portable tent is large enough to cover cars and recreational vehicles, or provide shelter for a garden party. No tools are necessary to set-up the canopy, though assembly is quicker with two adults.
