Artificial Intelligence System Simulation By Geoffrey Gordon

Geoffrey Gordon's highly successful SYSTEM SIMULATION now has been updated to include the latest changes in this field while keeping its excellent coverage of fundamental concepts and applications. Both continuous and discrete simulation are treated in depth here, with examples in three programming languages—CSMP III, SIMSCRIPT II.5, AND GPSS V.

1978), The Application of Gpss V to Discrete System...

Geoffrey Gordon (Author of System Simulation) GPSS was developed by IBM's Geoffrey Gordon at the beginning of the 1960s. He named it G ordon's P rogrammable S imulation S ystem. The name was changed when IBM decided to release it as a product. The "General Program" part of the new name was to create a standard in waiting-line simulations.
