### User Manual - Technics SX-KN2000 - Keyboard

Technics KN2000: The keyboard was introduced in 1993 and absolutely bowled-over the keyboard community with stunning sounds and arranger workstation features. The KN2000 heralded a new era of sound quality combined with style.

The KN2000 heralded a new era of sound quality combined with style. A large blue-white display places all of the information you need in easy view and the sequencer and editing functions are way ahead of other keyboards of the time. Easily capable of professional level performance and one of the best Technics keyboards.
