Abstract. This book explores Tennyson's representation of rapture, or being carried away, as a radical mechanism of transformation—theological, social, political, or personal—and as a figure for critical processes in his own poetics. The poet's fascination with transformation is figured formally in the genre he is credited with inventing, the dramatic monologue.

Tennyson's Rapture: Transformation in the Victorian ...

In the wake of the death of his friend Arthur Henry Hallam, the subject of *In Memoriam*, Alfred Tennyson wrote a range of intricately connected poems, many of which feature pivotal scenes of rapture, or being carried away. This book explores Tennyson's representation of rapture as a radical mechanism of transformation—theological, social, political, or personal—and as a figure for critical processes in his own poetics.
