AFTERLIFE: GREEK AND ROMAN CONCEPTS. As is the case with other cultures, the Greeks and Romans entertained a variety of ideas about the afterlife, some of which were mutually exclusive; they called on different ideas as the situation required. Thus, they spoke of the dead as present and angry when ill luck and a guilty conscience suggested that the deceased might be wreaking vengeance; they spoke of them as potential benefactors when paying them cult; and on yet other occasions they spoke of ...

The myths, philosophy, and religious views of the Greeks had a profound influence on early Roman ideas concerning the afterlife. Like the later Greeks, many Romans believed in the immortality, or everlasting life, of the soul. They also believed, to some extent, in the idea of reincarnationthe rebirth of the soul in a new body. These ideas are reflected in the works of various ancient Roman writers and in Roman rituals and burial practices for the dead.

ANSWER: Yes, the ancient Romans did believe in an afterlife. They believed in the immortality of the soul and had a complicated belief system about life after death. The ancient Romans believed that when one died, one was met by Mercury, the messenger god and son of Jupiter and taken to the river Styx, that flowed nine times around the underworld. There they paid the ferryman, Charon, a fee to cross the river where they were met and judged by Minos, Aeneas, and Rhadymnithas.

In mythology, the Greek underworld is an otherworld where souls go after death. The original Greek idea of afterlife is that, at the moment of death, the soul is separated from the corpse, taking on the shape of the former person, and is transported to the entrance of the underworld. Good people and bad people would then separate. The underworld itselfisometimes known as Hades, after its ...
