Creating Depth
You can create
depth in artwork
by overlapping.
When an object
moves in front
of another
object it
overlaps it.
This overlapping
is nothing more
than the closer
object obscuring

first, things
can then be
applied and
overlapped.

Create a relationship between the objects in your subject (i.e. cow, barn, grasses, trees, mountains) to create a sense of depth.

Objects should not float, but touch or overlap in still life or
