RADIATION? A machine that could stop radiation would shift the balance of world power overnight.

The Brilliant Dr. Wogan by R.A. Montgomery

The brilliant Dr. Wogan has designed such a machine. But she has gone missing, along with the plans. As her right hand assistant, everyone looks to you to help find her. So, the intelligence official says, you know how important this job is. Without Diana Wogan, the work of the last eleven years, the hope of hundreds of millions of souls, and maybe even life as we know it on this planet, will
