In May 2013, the national partners have co-produced 'Integrated Care and Support: Our Shared Commitment', a framework document on integration. The document, signed by all the partners, sets out how local areas can use existing structures such as Health and Wellbeing Boards to bring together local authorities, the NHS, care and support providers, education, housing services, public health ...

NHS England » Integrated care and support

Complete Care was founded in 1996 to provide person-centred, nurse-led, complex care packages for UK-wide clients, in the home.

Books and Guides - Care Adviser Network

The year 2013/14 is a critical one for the NHS. The only acceptable legacy of the Francis report is that the NHS changes as a result of its findings. The Department of Health has published the response to the Francis report, and we will play our full part in delivering the actions described in it. We will put patient care at the centre of all we
