The Financial Shepherd By Glen Wright II Sy Pugh Paperback ...

Why the Dollar Is the Global Currency . The 1944 Bretton Woods agreement kickstarted the dollar into its current position. Before then, most countries were on the gold standard. Their governments promised to redeem their currencies for their value in gold upon demand. The world's developed countries met at Bretton Woods, New Hampshire, to peg the exchange rate for all currencies to the U.S. dollar.

Why the US Dollar Is the World Currency

One of the biggest decisions about retirement is when to claim your Social Security benefit. Maximizing your Social Security is much more complex - especially for married couples. While a poor decision can cost people tens to hundreds or even thousands of dollars in benefit, Shepherd Financial's advisors help by advising you on the appropriate decision - which could give you a significant increase in your retirement income.
