The Fire and the Rose And all shall be well and / All manner of thing shall be well / When the tongues of flame are in-folded / Into the crowned knot of fire / And the fire and the rose are one. - T.S. Eliot

The Fire and the Rose
And the fire and the rose are one. The first two lines are among Eliot’s most quoted. “You must never give up,” writes the author of The Cloud of Unknowing, whoever s/he was, and Eliot declares that “we shall not cease” our journey. Throughout the Quartets, we’ve been told it’s a long, rough ride, so prepare and set out.

The main and perhaps sole difference between this world and our reality is that magic exists, controlled by those who have mastery over the four classical elements (fire, air, water, earth). The majority of the tales take place in England, with The Fire Rose taking place in North America and focusing on the San Francisco area, while Blood Red and From a High Tower are set in Germany, with a focus on the Black Forest.

IN A SINGLE MOMENT...the lives of three men will be forever changed. In that split second, defined paradoxically by both salvation and loss, they will destroy the world and then restore it. Much has come before, and much more would come after, but nothing would color their lives more than that one, isolated incident on the edge of forever. IN A SINGLE MOMENT...Spock, displaced in time, watches ...
