with Freud, aside from his resentment that Freud favored the Zurich psychoanalysts, was over the basic causes of neurosis. Adler believed that issues of dominance, submission, and aggression were at the center of mental illness.

~~The Freud Adler Controversy~~

The controversy between Freud and Jung is a concrete event in the constellation of actions that shaped current psychoanalysis. Within this context, the rhetorical and legitimizing strategies carried out by Freud and the psychoanalytic movement in order to institute, perpetuate, and control psychoanalytic practice are of special importance.

The Freud-Adler Controversy by Bernhard Handlbauer This text charts the early history of the modern psychoanalytic movement through the personalities that influenced its development. Many of the early theories were discussed at the Wednesday meetings of the Vienna Psychoanalytic Society, and extracts from the minutes of these meetings are included here.

~~the freud adler controversy~~

Freud, in a way, tried to disprove Jung's theories, just as he did with Adler. It was a clear start to the controversy among psychoanalysts. Disagreement with his theories, Freud emphasized that Jung's contributions were useless. Here a clear controversy broke out between the two men that particularly affected psychoanalysis.
