Online Library The Friar And The Cipher Roger Bacon And The Unsolved Mystery Of The Cipher

However, in The Friar and the Cipher, the acclaimed bibliophiles and historians Lawrence and Nancy Goldstone describe, in fascinating detail, the theory that Roger Bacon, the noted thirteenth-century, pre-Copernican astronomer, was its author and that the perplexing alphabet was written in his hand. Along the way, they explain the many proposed solutions that scholars have put forth and the myriad attempts at labeling the manuscript's content, from Latin or Greek shorthand to Arabic numerals ...

The Friar and the Cipher: Roger Bacon and the Unsolved ...

I particularly recommend reading The Friar and the Cipher along The Island at the Center of the World, a book with

Online Library The Friar And The Cipher Roger Bacon And The Unsolved Mystery Of

which it shares famous characters and events of that special age. Both works are also excellent gifts to your brainy niece, or avid reader father-in-law.

The Friar and the Cipher: Roger Bacon and the Unsolved ...

For a book titled "The Friar and the Cipher", I really expected more about the cipher. The book was billed as being about this strange manuscript from the 13th century, yet it barely got any mention in the book.
